Mr. Tom Taguer,
20 Beekman St.,
New York City.

Dear Mr. Taguer:

In answer to your letter of April 2nd, asking if we wanted you to ship the merchandise to Monte Irvin, which he ordered, I will appreciate having you to do so. Will you please send the bill to me with the notation the merchandise was for him. You were right in refusing to deliver it to him without a written authorization. I will always give the Ball players a written order when they want merchandise, which I approve.

Thank you very much for your co-operation.

Very truly yours,
